Our school strategies are on track to meet or exceed our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our *Great Results Guarantee* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Diagnosing learning difficulties for all students not achieving a C and implementing specific plans to ensure students achieve a C.
- Developed and implemented specific intervention for all students not achieving at Banksia's expected standard in P-2.
- Built teacher capacity through employing Data Coaches, releasing of mentor teachers to guide and model.
- Small needs based groups received explicit instruction after analyzing data from SPAT-R Test.
- All staff implemented Sheena Cameron's Reading and Writing strategies.
